employees.

I am forwarding herewith letter No.22/49 dated 10-2-51 from the chairman Bellary District Cotton and Groundnut Market Committee, Bellary requesting Government for the grant of higher scales of pay to Superintendents, Head Accountants and Senior Clerks as per scales fixed for Guntur and South Arcot Groundnut Market Committee in Rule 78 of the Madras Commercial Crops Markets Rules 1948.

2. I have no objection to the Bellary District Cotton and Groundnut Market Committee giving the higher Districts Scales of pay to Superintendents, Head Accountants and Senior Clerks. But in doing so, the Committee should choose qualified candidates fit for the work and should not automatically promote existing incumbents; unless they are qualified and fit.

3. The Committee has reported that they have ample source of revenue and is financially capable of granting the higher scale of pay. I recommend the grant of higher scales of pay to the above employees. If Government agree to this proposal, I suggest that necessary amendment may please be issued by Government so as to include the Bellary District Cotton and Groundnut Market Committee also under item 2 and 4 of the "Note" under Rule 78 of the Madras Commercial Crops Markets Rules.1948.

Sub: Committees - Bellary District Cotton and Groundnut Market Committee - Fixation of scales of pay of employees.

Ref: From the Bellary Dt. Cotton and Groundnut Market Committee, Roc. No. 22/49, d. 10-2-51.
From the Collr. of Bellary L. Dis. 3205/51, dated 22-2-51.
From the D.A. No. D. Dis. C. 511-51, dated 15-3-51

In rule 78 of the Madras Commercial Crops Markets Rules, 1948 the Govt. fixed the following maximum scales of pay of Superintendents and Senior Clerks (Head Accountants).

- A Superintendent - Rs 90-3-105-5-135 for the Guntur and South Arcot Committees.
- Superintendent - Rs 80-3-95-5-125 ^{for} Other Committees.
- B Senior Clerk Rs 80-3-95-5-125 ^{for} Guntur and South Arcot Committees.
- Senior Clerk Rs 80-3-95-5-110 ^{for} Other Committees.

Originally, the area within the limits of Adoni Municipality and a radius of 5 miles around it was notified under the M.C.M. Act and a local Committee called 'The Adoni Market Committee' was established to carry out the provisions of the Act, the rules and the bylaws made thereunder. Consequent on the notification of the entire Bellary district, the Adoni Market Committee was converted into Bellary District Market Committee.

2. The Bellary Dt. Cotton and Groundnut Market Committee has now resolved to request the Govt. to grant the higher scales of pay to the posts of Superintendent and Senior Clerk as provided for Guntur and South Arcot Committees in rule 78 ^{and mentioned at A and B above} with effect from 16-2-50, the date when the Adoni Market Committee was converted into the Bellary Dt. Committee. The Committee also states that it has got ample sources of revenue and is financially capable of granting the higher scales of pay. The D.A. has no objection to the proposal except that, in doing so, the Committee should choose qualified candidates fit for the work and should not automatically promote existing incumbents, unless they are qualified and fit. He also suggests that ~

~~is accepted the 'Note' under necessary amendments to the 'Note'~~
under rule 78 of the M.C.C.M. Rules, 1948 may be issued.

3 According to rule 78, a market Committee may pay to its officers such pay and allowances as it thinks fit subject to the maximum scales of pay fixed in the Note under that rule. As the Bellary District Market Committee is a District Market Committee like ~~the~~ South Arcot and Guntur Market Committee the proposal of the Committee to pay the salaries allowed to Superintendents and Senior Clerks to ~~max~~ Guntur and S.Arcot Market Committees to its Superintendents and Senior Clerks may be accepted ~~and the committee be informed as at K'on h/above~~ No amendment to the Note is necessary as it does not form ~~from~~ part of the rule. ~~Please see in this connection the Legal Dept. note at p. n.f. of G.O.~~

In the circumstances explained, this dept may agree generally with the views of JtA therein, subject to the remark that it does not seem desirable to sanction the pay revision with effect from 16.2.50, with the consequent payment of arrears, and that the revision may therefore take effect only from the date of order to be issued in this case.
